License

This project is released under the MIT License, a permissive open-source license, with an added attribution requirement. It allows anyone to use, copy, modify, merge, publish, distribute, sublicense, and sell copies of the software, provided the copyright notice, license text, and visible credit to the original author are included.

Attribution Requirement

Any distribution, fork, or derivative work — including custom builds, ROMs, or operating systems such as GerepoS — must give visible credit to the original author, azoel1, for example “Based on Gerepost FM by azoel1” or “Made by azoel1”, in the README, About screen, or equivalent user-facing credits. Failure to credit the original author is a violation of this license.
